

Oklahoma City Ballet

Associate Board Information

2024-2025

To bridge the gap between current and future arts leaders, Oklahoma City Ballet's Associate Board was created for patrons of the arts aged approximately 21–40 who are looking to actively support and sustain Oklahoma City Ballet. As an Associate Board member, you receive access to high-quality professional performances and exclusive social and networking opportunities, from behind-the-scenes rehearsal viewings to unique networking receptions and parties with our dancers and artists.

A stimulating combination of dance, education, and revelry, these occasions present young professionals with the opportunity to network, socialize, and volunteer all while supporting Oklahoma City Ballet.

Oklahoma City Ballet Associate Board membership dues are \$350 per person, which includes a season ticket package.*
