

Dear Creative Movement Dancers and Families,

We are very excited to announce that Creative Movement Classes are open, and we have moved to a new registration software platform! Please follow the directions below to register your student in our new system:

1. Follow the link below to go to our new Customer Portal.
<https://app.iclasspro.com/portal/oklahomacityballetcommunityengagement/dashboard>
You can create an account directly from that screen, or...
2. Click the link below to be taken to the account creation page directly:
<https://app.iclasspro.com/portal/oklahomacityballetcommunityengagement/create-account-01-verify-email>

Please note: You must create a new account within our new Community Engagement portal on iClass Pro, even if you already have an account through the Yvonne Chouteau school!

3. You will be required to create an account as the Parent/Guardian. After creating a "Family" account, you will create a "Student" profile for your dancer. If you have multiple students, you will create a student profile for each of them under your family account.
4. After creating your account, and student profile(s), hit the "Registration" button to see available classes. Classes are organized by day of the week.
5. Follow the on-screen prompts to complete registration!

Please let us know if you have any questions.
